

## Experiment: 9

**Student Name:** Rishav Kumar  
**Branch:** MCA - CCD  
**Semester:** II  
**Subject Name:** Software Testing

**UID:** 22MCC20039  
**Section/Group:** 22MCD1 / Grp A  
**Date of Performance:** 4<sup>th</sup> May 2023  
**Subject Code:** 22CAH-685

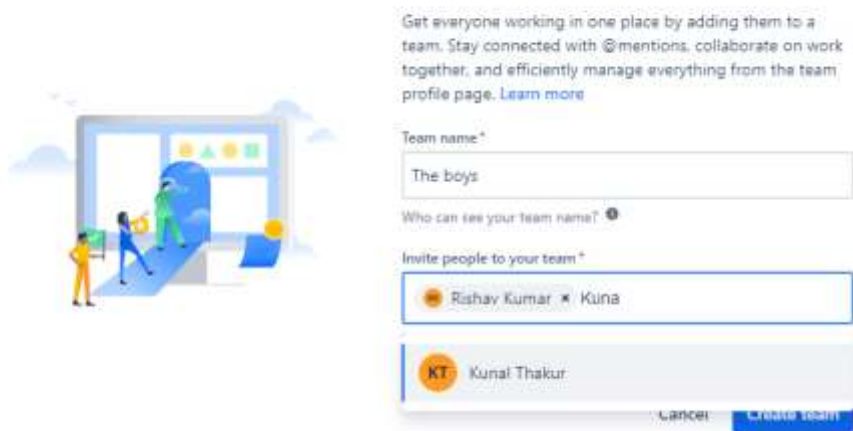

### Q. How to create a team Epic?

- Open Jira dashboard, and click on Teams > Invite people to jira.

- Enter gmail address of people to invite them to jira.
- After accepting your request, click on Teams > Create a team.
- Enter name of your team and its members.

#### Create a new team

- Click on create team.
- Now to assign a task to team member, click on create.

Summary\*

First name should be in capital
